November 15, 2011:

- Institute
- Regular Session
- Roundtable
- Poster Session

The Literacy Summit will bring together teachers, administrators, and university students/faculty who are interested in literacy education for all ages. This year's theme is *"What's Hot in Literacy for 2012"*, which includes the following:

- Comprehension
- Response to intervention
- New literacies
- Non-fiction texts
- Common core standards
- College and career readiness
- High stakes assessment
