

# “One World, One Book, One Child at a Time”

This year Alamo Reading Council will continue involvement in community action by sponsoring a literacy project that will involve donating books to the area Battered Women's and Children's Shelter.

As we strive to do our world wide, we are once again Mexico at the Lazaro School in Nuevo Laredo, worthwhile project efforts of the IRA Project.

part to promote literacy sponsoring children of Aguirre Elementary Tamaulipas, Mexico. This supports and sustains the International Literacy

We ask for your patronage in assisting us with this endeavor as we seek to change our “One World, One Book, One Child at a Time.” Last year over 1000 books were donated by our local council towards this effort.

This year we will be collecting “new and gently used” children's books at all our general sessions. Please invite a friend and bring a book or books to assist us in carrying out our mission of spreading literacy! We look forward to your participation.

“Thank you and the rest of the wonderful folks in your reading council for your support. We, as well as the administration, faculty and students of the Lazaro Aguirre Elementary School in Nuevo Laredo, Tamaulipas (Mexico), are indeed fortunate to have wonderful friends like all of you.”

--Dr. Lira (Past President of Texas State Reading Association) 2007-2008
